

## Route Changes Effective January 8<sup>th</sup>, 2024

Due to bell schedule conflicts, we are making changes to routes 12 and 15 afternoon routes as of January 8, 2024.

Currently Ladysmith Intermediate and Ladysmith Primary students going to Kulleet Bay must wait on the bus for 30 minutes for Ladysmith Secondary to dismiss. To remove this delay, we are making changes to the combination of students on each bus. All elementary students for Kulleet Bay and Yellowpoint areas will be on one bus and all high school students on the other which correlates with their dismissal times.

Route 12 will provide all PM service for Ladysmith Secondary to Kulleet Bay and Yellowpoint areas.

Route 15 will provide all PM service for North Oyster Elementary, Ladysmith Primary and Ladysmith Intermediate schools to Kulleet Bay and Yellowpoint areas.

North Oyster students going to Ladysmith will remain on route 12 Monday through Thursday, but Friday's will have them split between routes 11 and 15 due to high school early dismissal.
